

TECHNICAL STONE TOP

Antique Limestone

Graystone

Calacatta

The McKinnon and Harris Technical Stone Top is made of 100% natural sintered stone. Sintered stone is formed by using advanced technology to replicate the process by which natural stone is created. Technical Stone is available for the majority of our dining and occasional tables. Select from Antique Limestone, Calacatta and Graystone.

Our Technical Stone Top is resistant to UV rays, freezing temperatures and direct heat which makes it ideal for outdoor use. Our Technical Stone Top is environmentally friendly because it does not release any harmful substances and is completely recyclable.

The surface of our Technical Stone Top is waterproof, easy to clean, and highly resistant to scratching and abrasion, making it the perfect table top for entertaining outdoors.
