LANTERNS

Designed for garden paths, yacht decks, candlelit terraces, and beyond, each powder-coated aluminum frame balances utility with elegance. Featuring graceful swinging handles and removable borosilicate glass hurricanes to shield the flames of a wax candle, our Leggett Lanterns are available in three sizes, 13", 15", and 19".

This versatile trio of portable hurricanes creates enduring ambiance for estate, garden, and yacht settings. Named in honor of our longtime neighbor, preservationist and gardener, Patricia Leggett, the lanterns' streamlined frames blend seamlessly with both contemporary and traditional designs.

Shown in Shenandoah Gray Green finish and available in any of our 27 finish colors or Polished Stainless Steel.
