## OUR THIRZA COLLECTION

Recalling travels abroad to the region, we've always wanted to create a collection inspired by contemporary Mediterranean design. Our Thirza Collection takes notes from mid-century modern and traditional American design as well, expressing its distinct personality through curved, organic shapes and whimsical hand-sculpted details.

Named for the Italian word "cave," the Thirza Grotta Collection features the same signature details, while incorporating a set of knife-edge side cushions to complement its enveloping, substantial silhouette.
